Secretary Jim Temple called the meeting to order at 12:30 PM

Treasurers Report: we are solvent. Dues are payable now to March.

Field Report, Frank Plexaco: Field is a swamp. The runway should be rolled to smooth out as soon as it dries out a bit. Two mounds of trash have been dumped in the parking area. A discussion of how to handle came to no resolution. Member Jon James volunteered to look into the owner of the trash to see if we can find the perpetrator.

Old Business

Aric Wilmunder gave a report on the cost, maintenance and training involved in Procuring a A.E.D. . cost 600-1200 dollars, must be certified. Plus maintenance. Novato Fire Dept is looking into our qualifying for assistance.

Mike Clancy reported on the results of the 1/2A Texaco Postal contest which were sent out in the last email.

New Business:

Mike Sidwell will be cleaning up the website calendar to be able to post the contest results

Aric Wilmunder reported he has rundown information on the owners of the bee hives near the field that have been a minor hazard . A discussion was had on how to approach the owners to move farther away from our field to mitigate the chance of having a stinging encounter.
